

## 2017 Play & Sport Overlap (Preliminary Schedule)

It is possible to take part in the play and also play on certain Fisher sports teams. You must be sure to mark all sporting conflicts on your student's Conflict Calendar at the time of application. All Fisher sports games must be attended and therefore these must be noted as conflicts for the play. During mandatory play weeks, sports practices will need to be missed if you have a conflicting mandatory rehearsal scheduled. You are allowed to miss 2 sports practices during the season, so these should be used for mandatory rehearsal conflicts, if they exist.

**Season 3 – Boy's Basketball is not compatible with the play, as there are too many conflicts.**
